## 1.1 Fill Up General Information :

Applicant will fill up general informations including purpose and press proceed button.

The screenshot shows the BIWTA Hydrography application interface. On the left, there is a sidebar titled "PRODUCT & PRICE" with four items: "Hourly Height (07 TK per Day)", "Daily High-Low (07 TK per Day)", "Monthly Extreme Tidal Level (90 TK per Year)", and "Monthly Mean Tidal Level (90 TK per Year)". The main area is titled "Application Form" and contains several input fields: "Name", "Name of the Organization/Institute", "Address", "Occupation/Designation", "Date of Birth" (with a date picker showing "mm / dd / yyyy"), "Mobile Number", "Email", "Purpose" (with checkboxes for "Research" and "General"), "Purpose Description", and "NID/Passport number". A green "Proceed" button is located at the bottom of the form.

## 1.2 Fill Up Product Information:

Applicant will fill up Product Information. To add or delete will use (+/-) button as shown in the picture. After completing product details will press Submit button to submit the application. After submission will preview the submitted application and request to verify email address.

The screenshot shows a table titled "Select your items" with four columns: "Product", "Location", "From Date", and "To Date". There are two rows of data. The first row has "Hourly height" as the product, "NANDIR BAZAR" as the location, "01 / 01 / 201€" as the from date, and "05 / 10 / 202C" as the to date. The second row has "Daily high-low" as the product, "MONPURA" as the location, "01 / 01 / 201€" as the from date, and "05 / 10 / 202C" as the to date. To the right of each row are two buttons: a red button with a minus sign (-) and a green button with a plus sign (+). A large green "Submit" button is located at the bottom of the table.
